Seller hereby irrevocably consents to the nonexclusive jurisdiction of Malaysia courts in connection with any and all suits, actions or other proceedings (collectively "Proceedings") arising out of or in relation to the Order and hereby waives and agrees not to assert, as a defense or otherwise, in any of such proceedings, any claim that it is not personally subject to the jurisdiction of the above-named courts, that Proceedings are brought in an inconvenient forum, that the venue of Proceedings is improper or that the subject matter of the Order may not be enforced in or by such courts. Seller agrees that process against it may be served by delivery of process to its office or agent in Malaysia designated from time to time in writing to NEC.

20. ASSIGNMENT AND BINDING EFFECT. Seller shall not assign any rights, or subcontract or otherwise delegate any duties, under the Order to any third party without the prior written consent of NEC. The order shall be binding upon and insure to the benefit of NEC and Seller and their respective successors and permitted assigns, and is also made for the benefit of, and shall be enforceable by, each Indemnitee to the extent of its interest hereunder.

21. ENTIRE AGREEMENT; MODIFICATION AND WAIVER. The terms and Conditions set forth in the Order, together with Specifications, if any, constitute the entire agreement between NEC and Seller in respect of the subject matter hereof and supersede all prior agreements, written or oral, with respect thereto. Any alterations or modifications hereof shall be by mutual agreement of the parties and shall not be binding on NEC unless agreed by NEC in writing. No claim or right of NEC arising out of a breach of the Order shall be discharged in whole or in part by a waiver of such claim or right unless such waiver is made by NEC in writing. No delay on the part of NEC in exercising any right hereunder shall operate as a waiver thereof, nor shall any waiver by NEC of any such right, or any single or partial exercise of such right, preclude any further exercise thereof or the exercise of any other such right.

22. PRIVACY POLICY. The Personal Data Protection Act 2010 ("PDPA 2010") was enacted by the government to regulate the processing of the personal data and in view of that, kindly ensure that the personal data of the Indemnitees are protected in accordance with the PDPA 2010.
